

Dr Michael Rogers

I spoke to Michael this morning but his memory is still not great. Anyway he remembered Sheikh Nasser and had heard the sad news. Basically he said he was unable to write a proper condolence letter (I know you were not asking that) but asked if he could send his condolences verbally and say that he remembered and appreciated the extreme kindness that Sheikh Nasser had shown him and that he will be greatly missed by all that knew him. He is sorry he cannot do more.
