

I am so very sorry to hear of the passing of HE Sheikh Nasser. What a great loss for Kuwait and for the field of art history.

I was just speaking this week about you, Sheikh Nasser and The al-Sabah Collection on view here in Houston, and how this immense treasure of artistic creation across Islamic lands was created and expanded over the decades by you both. Your generous vision to share your extraordinary collection with the world is an exemplary model for all. We are honored, grateful and humbled to be able to play a small role in helping to fulfill this vision.

Please know that you, your family and all of Kuwait are in our thoughts and prayers as you traverse this sad and difficult time.

With most sincere and deepest condolences .  
Aimée
