Dear Sheikha Husa Sabah Al-Salem Al-Sabah,

Nounch and I were saddened to learn that Sheikh Nasser Sabah Al-Ahmad Al-Sabah passed away. We send our deepest sympathies to you and the entire family.

The ideas and vision that His Highness had and the contribution made in the development of megaprojects in Kuwait attracted many people, thus earning their respect and love.

His Highness was the pioneer of growth and progress, and a great statesman. The establishment of the Islamic Archaeology House, a Kuwaiti cultural foundation, is invaluable for the preservation of the world cultural heritage.

Sheikh Nasser left a legacy, which is an icon of human art, culture and civilization.

We offer our heartfelt condolences to your family during this difficult time.

Sincerely,

 Armen SARKISSIAN
