

Dear Sheikha Husa,

Arwa and I are saddened by the passing away of HE Sheikh Nasser. His, as your name will be eternally imprinted in the memory of every visitor to your collection in the MFAH. His cultural legacy is hard to match. May his .soul be in peace and solace be your company

Sincerely yours,

Aziz Shaibani, MD, FACP, FAAN, FANA
Director, Nerve and Muscle Center of Texas
Clinical Professor of Medicine
Baylor College of Medicine, Houston, Texas
