

Dear Sheikha Husa,

We want to convey our warm thoughts and prayers to you and your family at this sad moment on the loss of your dear husband Sheikh Nasser.

We did not have the chance to meet him, but were able to enjoy and appreciate the priceless treasures he assembled.

His name will always stay as a man of great qualities and of a higher aesthetic taste and knowledge that allowed him to assemble one of the greatest collection of ancient art in the world.

May His Soul Rest In Peace

Chino and Iwona
