

Dear Sheikha Husa,

I was deeply saddened to learn of Sheikh Nasser's passing. On behalf of The Metropolitan Museum of Art, please accept my sincere condolences. His excellency was truly a beloved member of our Met community, serving as a Trustee for nearly a decade. Our friendship with him was cherished and we join you in mourning this great loss. May good memories bring you, the Al-Sabah family, and the people of Kuwait peace during this time. Please know that we are thinking of you.

Sincerely,

Dan
