

Dear Hussah,

Diala and I are truly saddened to learn of the passing of your husband Sheikh Nasser, and we send our heartfelt condolences to you, and your family. Please know that our thoughts and that of the MIT community are with you during this difficult time.

I got to know Sheikh Nasser through your description of his passion for the arts and for his work in government. He left behind a wonderful legacy through his family and the work that you both did around the Dar Al Athar Al-Islamiyyah.

I hope to be able to see you before long and extend my condolences in person.

Sincerely,

Hashim
