

Dear Hussa,

Jill and I were so sorry to hear that Nasser has passed away. We only met him the once, when we visited you in Kuwait with Shelby. He was so charming, courteous and welcoming to us. As you know he was viewed amongst lovers of the ancient world as a truly legendary collector with impeccable taste and who did so much to preserve the culture of the near and Middle East.

I really wish that I had gotten to know Nasser many years ago. We shared so many passions in art and I remember clearly an invitation to accompany him falconing in Mongolia which was very tempting!

We send you our deepest sympathies at this sad time with love

Paul and Jill
